

VI INTERNATIONAL CONFERENCE ON ENSURING SUSTAINABLE DEVELOPMENT IN THE CONTEXT OF AGRICULTURE, ENERGY, ECOLOGY AND EARTH SCIENCE (ESDCA2026)

March 11-13, 2026

**Smolensk State Agricultural Academy
Smolensk, Russia**

In this paper, we present the proceedings of the VI International Scientific and Practical Conference “Ensuring Sustainable Development in the Context of Agriculture, Energy, Ecology and Earth Science” (ESDCA2026), which took place on March 11-13, 2026 at the Smolensk State Agricultural Academy, Smolensk, Russia.

The conference addressed issues related to agriculture, field crop farming, animal husbandry, forestry, and agricultural products, as well as challenges concerning biodiversity conservation, ecology, and environmental protection. Thus, the conference made it possible to formulate new scientific directions and recommendations for ensuring sustainable development, which can be useful to state and regional authorities, international and supranational organizations, the scientific and professional community.

The conference was attended by representatives from Vietnam, Kyrgyzstan, Sri Lanka, India, Uzbekistan, Russia, Ecuador, Armenia, South Korea, Ivory Coast, Italy, Estonia and Turkmenistan.
