

ICSAF

International Conference on
Sustainable Global Agriculture & Food

6th INTERNATIONAL CONFERENCE
ON
SUSTAINABLE GLOBAL AGRICULTURE AND FOOD 2026 (ICSAF 2026)

GENERAL INFORMATION

The 6th International Conference on Sustainable Global Agriculture and Food 2026 (ICSAF 2026)

The 6th International Conference on Sustainable Global Agriculture and Food 2026 (ICSAF 2026) is a bi-annual conference organized by four universities in four countries including:

- Saigon Technology University, Vietnam
- Assumption University, Thailand
- Fugen Catholic University, Taiwan
- Soegijapranata Catholic University, Indonesia

As a bi-annual academic conference, ICSAF has been successfully held over the last 10 years, attracting delegates from more than 10 countries and regions, including Malaysia, Japan, United States, Germany, South Korea, etc. Participants at the conference had the opportunity to meet and to discuss research through posters and presentations of the authors taking place in several sessions. The students once again had the opportunity to study, expand their knowledge of major, and improve their skill of using foreign languages, especially teams of volunteer students who participated in the organization. Delegates from four member universities and conference participants also had a warm meeting to learn, exchange cultures and close friendships after the conference. The published proceedings have been indexed in Scopus.

The previous ICSAF events have been well received by the research and academic community both on a national and international scale without any barriers to differences in place, time, and unwanted constraints. By supporting the further development of food science and technology, 6th ICSAF 2026 aims to update the innovations and trends in food biotechnology for a sustainable future.

The **6th ICSAF** will be held under theme "**Emerging Innovations and Trends in Food Biotechnology for a Sustainable Future**" hosted by Theophane Venard School of Food Biotechnology and Innovation, Assumption University.

Conference Date: 5-6 March 2026

Time: 08.30-16.30 GMT+7

Venue: Assumption University (Hua Mak), Thailand

Conference website:

<https://foodbiotech.au.edu/icsaf2026/>

Call for Paper!

Scope of The Conference

- Future Food and Food Innovation, Plant based Foods
- Functional Foods, Alternative Foods
- Food Processing and Engineering, Food Packaging
- Food Biotechnology, Nanotechnology
- Agriculture and Regenerative Systems, Food Waste Valorization and Circular Bioeconomy
- Digital Transformation in Agri-Food Systems
- Food Safety and Security, Sustainable Food Governance
- Food Engineering and Artificial Intelligence Technology

ICSAF2026 invites researchers, academics, industry professionals, and students to submit original research papers, case studies, and reviews that address innovative approaches and emerging trends in sustainable agriculture and food biotechnology. The conference aims to foster interdisciplinary dialogue and global collaboration to advance food systems that are resilient, inclusive, and future-ready. Authors are invited to submit abstracts or full papers in English. All submissions will be peer-reviewed and selected for oral or poster presentations. Accepted full papers will undergo a peer-review process and selected papers will be published in Scopus-indexed proceedings in the BIO Web of Conferences, subject to scope and quality considerations.

Message from Conference Chair

ICSAF2026 – 6th International Conference on Sustainable Global Agriculture & Food

On behalf of Theophane Venard School of Food Biotechnology and Innovation, Assumption University of Thailand, it is my great honor to welcome you to the 6th International Conference on Sustainable Global Agriculture & Food (ICSAF2026), to be held on **5–6 March 2026** at our Hua Mak campus in Bangkok, Thailand.

This year's conference, themed *"Emerging Innovations and Trends in Food Biotechnology for a Sustainable Future"*, brings together a vibrant network of scholars, researchers, students, and industry professionals from across Asia and beyond. Co-organized by four leading universities—Assumption University (Thailand), Saigon Technology University (Vietnam), Fugen Catholic University (Taiwan), and Soegijapranata Catholic University (Indonesia)—together with the Food Science and Technology Association of Thailand (FoSTAT), ICSAF2026 continues its mission to foster regional and global collaboration in sustainable agri-food innovation.

The program will feature keynote addresses by distinguished experts, plenary sessions, oral and poster presentations, and interactive forums that explore cutting-edge topics. We warmly invite you to join us in Bangkok to exchange ideas, build partnerships, and contribute to shaping the future of sustainable agriculture and food biotechnology.

With sincere appreciation and anticipation,

Asst. Prof. Dr. Patchanee Yasurin

Chairman, ICSAF2026

Dean of Theophane Venard School of Food Biotechnology and Innovation
Assumption University, Thailand

LIST OF COMMITTEES

INTERNATIONAL ADVISORY BOARD COMMITTEE

Prof. Dr. Bin-Huei Chen	Fu Jen Catholic University, Taiwan
Prof. Dr. Jung-Feng Hsieh	Fu Jen Catholic University, Taiwan
Prof. Dr Hoang Kim Anh	Saigon Technology University, Vietnam
Dr. Inneke Hantoro	Soegijapranata Catholic University, Indonesia
Dr. Dyah Wulandari	Soegijapranata Catholic University, Indonesia
Asst. Prof. Dr. Patchanee Yasurin	Assumption University, Thailand
Asst. Prof. Dr. Suvaluk Asavasanti	Assumption University, Thailand
Assoc. Prof. Dr. Malinee Sririyanun	King Mongkut's University of Technology North Bangkok, Thailand

SCIENTIFIC COMMITTEE

Assoc. Prof. Dr. Malinee Sririyanun	King Mongkut's University of Technology North Bangkok, Thailand
Professor Cheng, Yu-Shen	National Yunlin University of Science and Technology, Taiwan
Prof. Dr. Bin-Huei Chen	Fu Jen Catholic University, Taiwan
Prof. Dr. Jung-Feng Hsieh	Fu Jen Catholic University, Taiwan
Prof. Dr. Hoang Kim Anh	Saigon Technology University, Vietnam
Dr. Nguyen Vu Hoang Phuong	Saigon Technology University, Vietnam
Dr. Ma Bich Nhu	Saigon Technology University, Vietnam
Dr. Dyah Wulandari	Soegijapranata Catholic University, Indonesia
Dr. Inneke Hantoro	Soegijapranata Catholic University, Indonesia
Dr. Novita Ika Putri	Soegijapranata Catholic University, Indonesia
Dr. Natassia Clara Sita	Soegijapranata Catholic University, Indonesia
Dr. Chaoyi Zeng	Xihua University, China
Dr. Yongzheng Hu	Xihua University, China
Dr. Yan Wan	Xihua University, China
Prof. Dr. Jirawat Yongsawatdigul	Suranaree University of Technology
Assoc. Prof. Dr. Aussama Soontrunnarudrungsri	Kasetsart University, Thailand
Assoc. Prof. Dr. Decha Dechtrirat	Kasetsart University, Thailand
Asst. Prof. Dr. Nongpanga Jarussophon	Kasetsart University, Thailand
Assoc. Prof. Dr. Panumart Thongyoo	Thammasart University, Thailand
Assoc. Prof. Dr. Ponsit Sathapondecha	Prince of Songkla University, Thailand
Assoc. Prof. Dr. Laemthong Chuenchom	Prince of Songkla University, Thailand
Assoc. Prof. Dr. Chongdee Buranachai	Prince of Songkla University, Thailand
Dr. Morakot Keawpet	Prince of Songkla University, Thailand
Dr. Piyamit Toumsri	Prince of Songkla University, Thailand
Assoc. Prof. Dr. Chalongrat Daengngam	Prince of Songkla University, Thailand
Assoc. Prof. Dr. Prasong Siriwongwilaichat	Silpakorn University, Thailand
Dr. Kewalin Somboon	Maejo University, Thailand
Dr. Lesybeth M. Nubatonis	Artha Wacana Christian University, Indonesia
Dr. Jemmy J. S. Dethan	Artha Wacana Christian University, Indonesia

[illegible]

Prof. Dr. Jirawat
Yongsawatdigul
Suranaree University of
Technology, Thailand

Prof. Dr. Hoang Kim Anh
Saigon Technology University,
Vietnam

Inneke Hantoro, S.T.P., M.Sc.
Soegijapranata Catholic University,
Indonesia

Asst. Prof. Dr. Toya
Ishii
Kagawa University,
Japan

Dr. Maduka Subodinee
University of Ruhuna,
Sri Lanka

Asst. Prof. Dr. Pattaraporn
Posoknistakul
Mahidol University, Thailand

CALL FOR PAPERS

Selected papers will be published in Scopus-indexed proceedings in the BIO Web of Conferences journal, subject to scope and quality considerations.

SCOPE

- Future Food and Food Innovation, Plant based Foods
- Functional Foods, Alternative Foods
- Food Processing and Engineering, Food Packaging
- Food Biotechnology and Nanotechnology Applications
- Agriculture and Regenerative Systems, Food Waste Valorization and Circular Bioeconomy
- Digital Transformation in Agri-Food Systems
- Food Safety and Security, Sustainable Food Governance
- Food Engineering and Artificial Intelligence Technology

CONTACT US

Prospective paper presenters, participants, companies and sponsors can contact ICSAF 2026 ;

Faculty of Food Biotechnology and Innovation,
Assumption University
3 rd floor, Bangkapi, Bangkok 10240, THAILAND
